Allow Dentists the Right to Choose which Practice Model Works Best for them and their Patients

## Summary of HB 2517/SB 6275:

- Prohibits a corporation from engaging in the clinical practice of dentistry
- Permits dentists to contract with third party vendors to provide real property, furnishings, inventory, goods or non-clinical services to dentists
- Ensures that only dentists can hire other dentists and dental hygienists in dental practices
- Clarifies that Dental Support Organizations and other models may continue to provide non-clinical support services in WA as they have done for over 30 years.
